- IFRS & Complex Accounting Advisory

### ESG & Public Sector Advisory

- ESG Assurance
- Green & Sustainable Finance
- Regulatory Readiness

### Tools & Innovation

- Financial Modeling
- AI-Enabled Finance Diagnostics
- Generative AI

## PROFESSIONAL EXPERIENCE

*Deloitte & Touche (M.E.), Doha, Qatar*

04.2018 – 01.2026

### Assistant Manager – Finance Transformation & Advisory

Advised public-sector-linked entities and large regional organizations across the GCC on finance transformation, governance, and complex advisory engagements.

- Led the preparation and update of carve-out and pro forma financial statements for a major telecom operator, supporting group restructuring and M&A readiness initiatives.
- Supported a sovereign wealth fund with IFRS advisory and financial reporting enhancements, improving consolidation accuracy, governance, and reporting consistency.
- Delivered finance transformation and process optimization support, contributing to stronger control environments, improved efficiency, and clearer management reporting.
- Executed ESG assurance and sustainability reporting engagements, including Green Bond reporting for banks and government-related entities, aligned with international assurance standards.
- Contributed to target operating model and finance maturity initiatives, supporting leadership decision-making and long-term transformation roadmaps.
- Played PMO and coordination roles on complex, cross-service-line and cross-country projects, ensuring delivery across distributed and remote teams.
- Supported business development activities including proposals, public tenders, and client presentations, contributing to the expansion of advisory and ESG portfolios.
